Best of Luck to you, Adelia,  
next year as a "Big" "Senior" and  
in the years to come - you should  
be congratulated on the very good  
job you performed this year as  
Junior Class President. Best  
of everything to you in the years to  
come -

Sincerely -

Mr. Schultz

Adelia:

I will remember you  
for the good job of "M.C." that  
you did on the Jr. Sr.  
Dance. It shows what  
a little hard work can do.  
I'm looking for a lot of  
leadership from you in the  
coming year. Keep your  
pleasant disposition

Sincerely

Mr. Sanders

Dear Adelia -

I enjoy your constant smile  
and good cheer. This quality  
is priceless to you and those  
around you -

I am glad that you take  
my criticism so nicely -

Bless you and be good -

Sincerely,

Mr. A. S. S. S.

Work hard next year  
and have a lot of fun  
along with it. I hope  
to have you in one of my  
classes next year - if I'm around.  
Best of wishes in the  
coming years.

Mr. Johnson

Adelia,

No matter what  
job needs to be  
done - you're always  
right in there  
pitchin'. I like  
your ability and  
your dependableness.  
Tell Hank he has to  
be good to his little  
sister as I'll flunk  
him in English.  
See you next  
year.

Mrs. Dunham

It's been fun  
being Jr. Class

Advisor(?) although  
I didn't advise  
much. A fine  
president. Took most  
of the work off  
my hands! Best  
wishes for a happy  
senior year

## CLASS HISTORY

Dear Underclassmen,

Just a note to tell that when we started to high school we were just as green as you were, but look how good we turned out to be!

First off, we found ourselves bowing to every upperclassman, polishing shoes and even ducking our heads in a pan of cold water just for some apples. After all this excitement of initiation, we settled down and elected Duane Tolonen-President, Lorretta Carstensen-Vice-President, Mary K. Portch-Secretary Treasurer, Lorraine Carstensen-Reporter, and our advisor was Mr. Downie. For activity we held the Freshman Return party for the Sophomores.

When we entered the school house as Sophomores, we had a little better idea of what to expect. Nick Campbell was elected President, Duane Tolonen-Vice-President, Lorraine Carstensen-Secretary, Lorretta Carstensen-Treasurer, and Mary K. Portch was our class representative to the Student Council. Our biggest event was initiating the Frosh. We had a food sale and had parties at various member's homes. Mr. Gillmore was our advisor for the year.

The Barn Dance started off our Junior year. Our Junior Prom with the theme "Moonlight and Roses" was held with the gym decorated with picket fences and roses. A moon shone on these decorations. "Goin Modern" was our class Play presented in three acts. The last event of this year was the Junior-Senior Banquet. Officers for the year were President-Nick Campbell, Vice-President Ron Mallory, Secretary-Treasurer-Lorretta Carstensen, Reporters-Carolyn Frenn and Bernadine Heathman, and our representative for the council was Duane Tolonen. Mr. Pfiefer was our class advisor.

As Seniors, we entered the doors of A. H. S. for the last time, "White Christmas" was our theme for the Senior Ball held in December. Our play "Men are Like Streetcars" was presented during the year. Class officers were Millard Jones-President, Duane Tolonen-Vice-President, Carolyn Frenn-Secretary, Mary K. Portch-Treasurer, Lorraine Carstensen-Reporter and Gerald Scammon represented us at the student Council. Mr. Sanders was our class advisor. Ron Mallory left us to join the Navy in January of this year.

Our class Motto is "Don't Dodge Difficulties" and colors are Blue and White.

The Senior Class sincerely hopes your high school days will be as full of fun and successful as our four years in good old A. H. S.

## LAST WILL AND TESTAMENT

We, the Senior Class of 1956, being in our right mind do bequeath, leave, give and get rid of the following things to all of the lowly creatures left at A. H. S. To the teachers go the memories of our talents and abilities.

To the underclassmen we leave our good manners, abilities to get into trouble and our way with teachers.

I, Lorraine Carstensen, leave my ability to go with the boys from WSC to Darlene Ladwig.

I, Nick Campbell, leave my basketball ability, Student Body President job, and ability not to go out with girls, to David Williams.

I, Lorretta Castensen, leave my ability to go with out of town boys to Sharron Sutton.

I, Duane Tolonen, leave my basketball ability to Roger Williams and my height to Sue Goss, hoping she can grow a little taller.

I, Mary K. Portch, leave my job as annual editor to Susan Sutton and my good grades to Dennis Buddrius.

I, Gerald Scammon, leave my football ability to Gary Hyde and my height to John Short.

I, Carolyn Frenn, leave my ability to go steady in high school to Magie Frederick and my brown eyes to Dennis Herdrick.

I, Millard Jones, leave my 2nd. base position in baseball to Fred Hyde and my ability to keep my mouth closed when it should be to Hank Benson.

I, Bernadine Heathman, leave my driving ability to Mrs. Dunham to teach the underclassmen next year and my long hair to Betty Farrelly.

We, Lorraine and Loretta, leave our velle queen position to Susan Sutton and Adelia Benson and our sax quartet positions to Roger Williams and Gary Hyde, hoping they can help continue getting superior ratings at the contests.

# PROPHECY

I was sent on an assignment by the FBI to find the missing persons of the Class of "1956". They graduated with me a long 20 years ago, but I knew their ambitions, and from there I went to find them.

I boarded a plane and started for the Air Force Headquarters. The General walked up to me and it was General Millard Jones. Millard always did talk about 2 years of college and then the Air Force. I guess he carried out his plans. We had a good talk and then I left for Spokane.

I landed in Spokane and went to the Sacred Heart Hospital. When I walked in, there was an Admiral from the Navy. He turned around when he heard me and it was none other than Duane Tolonen. I guess he got his wish. Haven't I seen that nurse somewhere before? Yes, that's Mary K. Portch. It seems that she is a registered nurse and Admiral Tolonen had his men all checked by her.

When I left the hospital, I walked down the street and looked up just in time to see a sign, "Lorretta's Beauty Shoppe." I graduated with Lorretta Carstensen, who always wanted to become a beauty operator. I went inside and made an appointment and when I left, I asked her about her twin sister, Lorraine. She gave me an address to go to.

When I got to this address, I knocked on the door and a little girl answered. She told me her mother was inside. Yes, that was Lorraine Carstensen, who married a farmer after four years of college and is now a busy housewife and mother.

I left Lorraine's house and decided to travel to Almira. When I got near the town, I noticed signs all along the road saying something about Gerald's Shop. I remembered Gerald Scammon and wondered if that could be him. I pulled my car into a parking lot and went over to where many people were standing. I edged my way through the large crowd and ran into Gerald with a big cigar in his mouth. When we were in high school, Gerald always worked at Flick's but I understand that Mr. Flick sold and Gerald became owner.

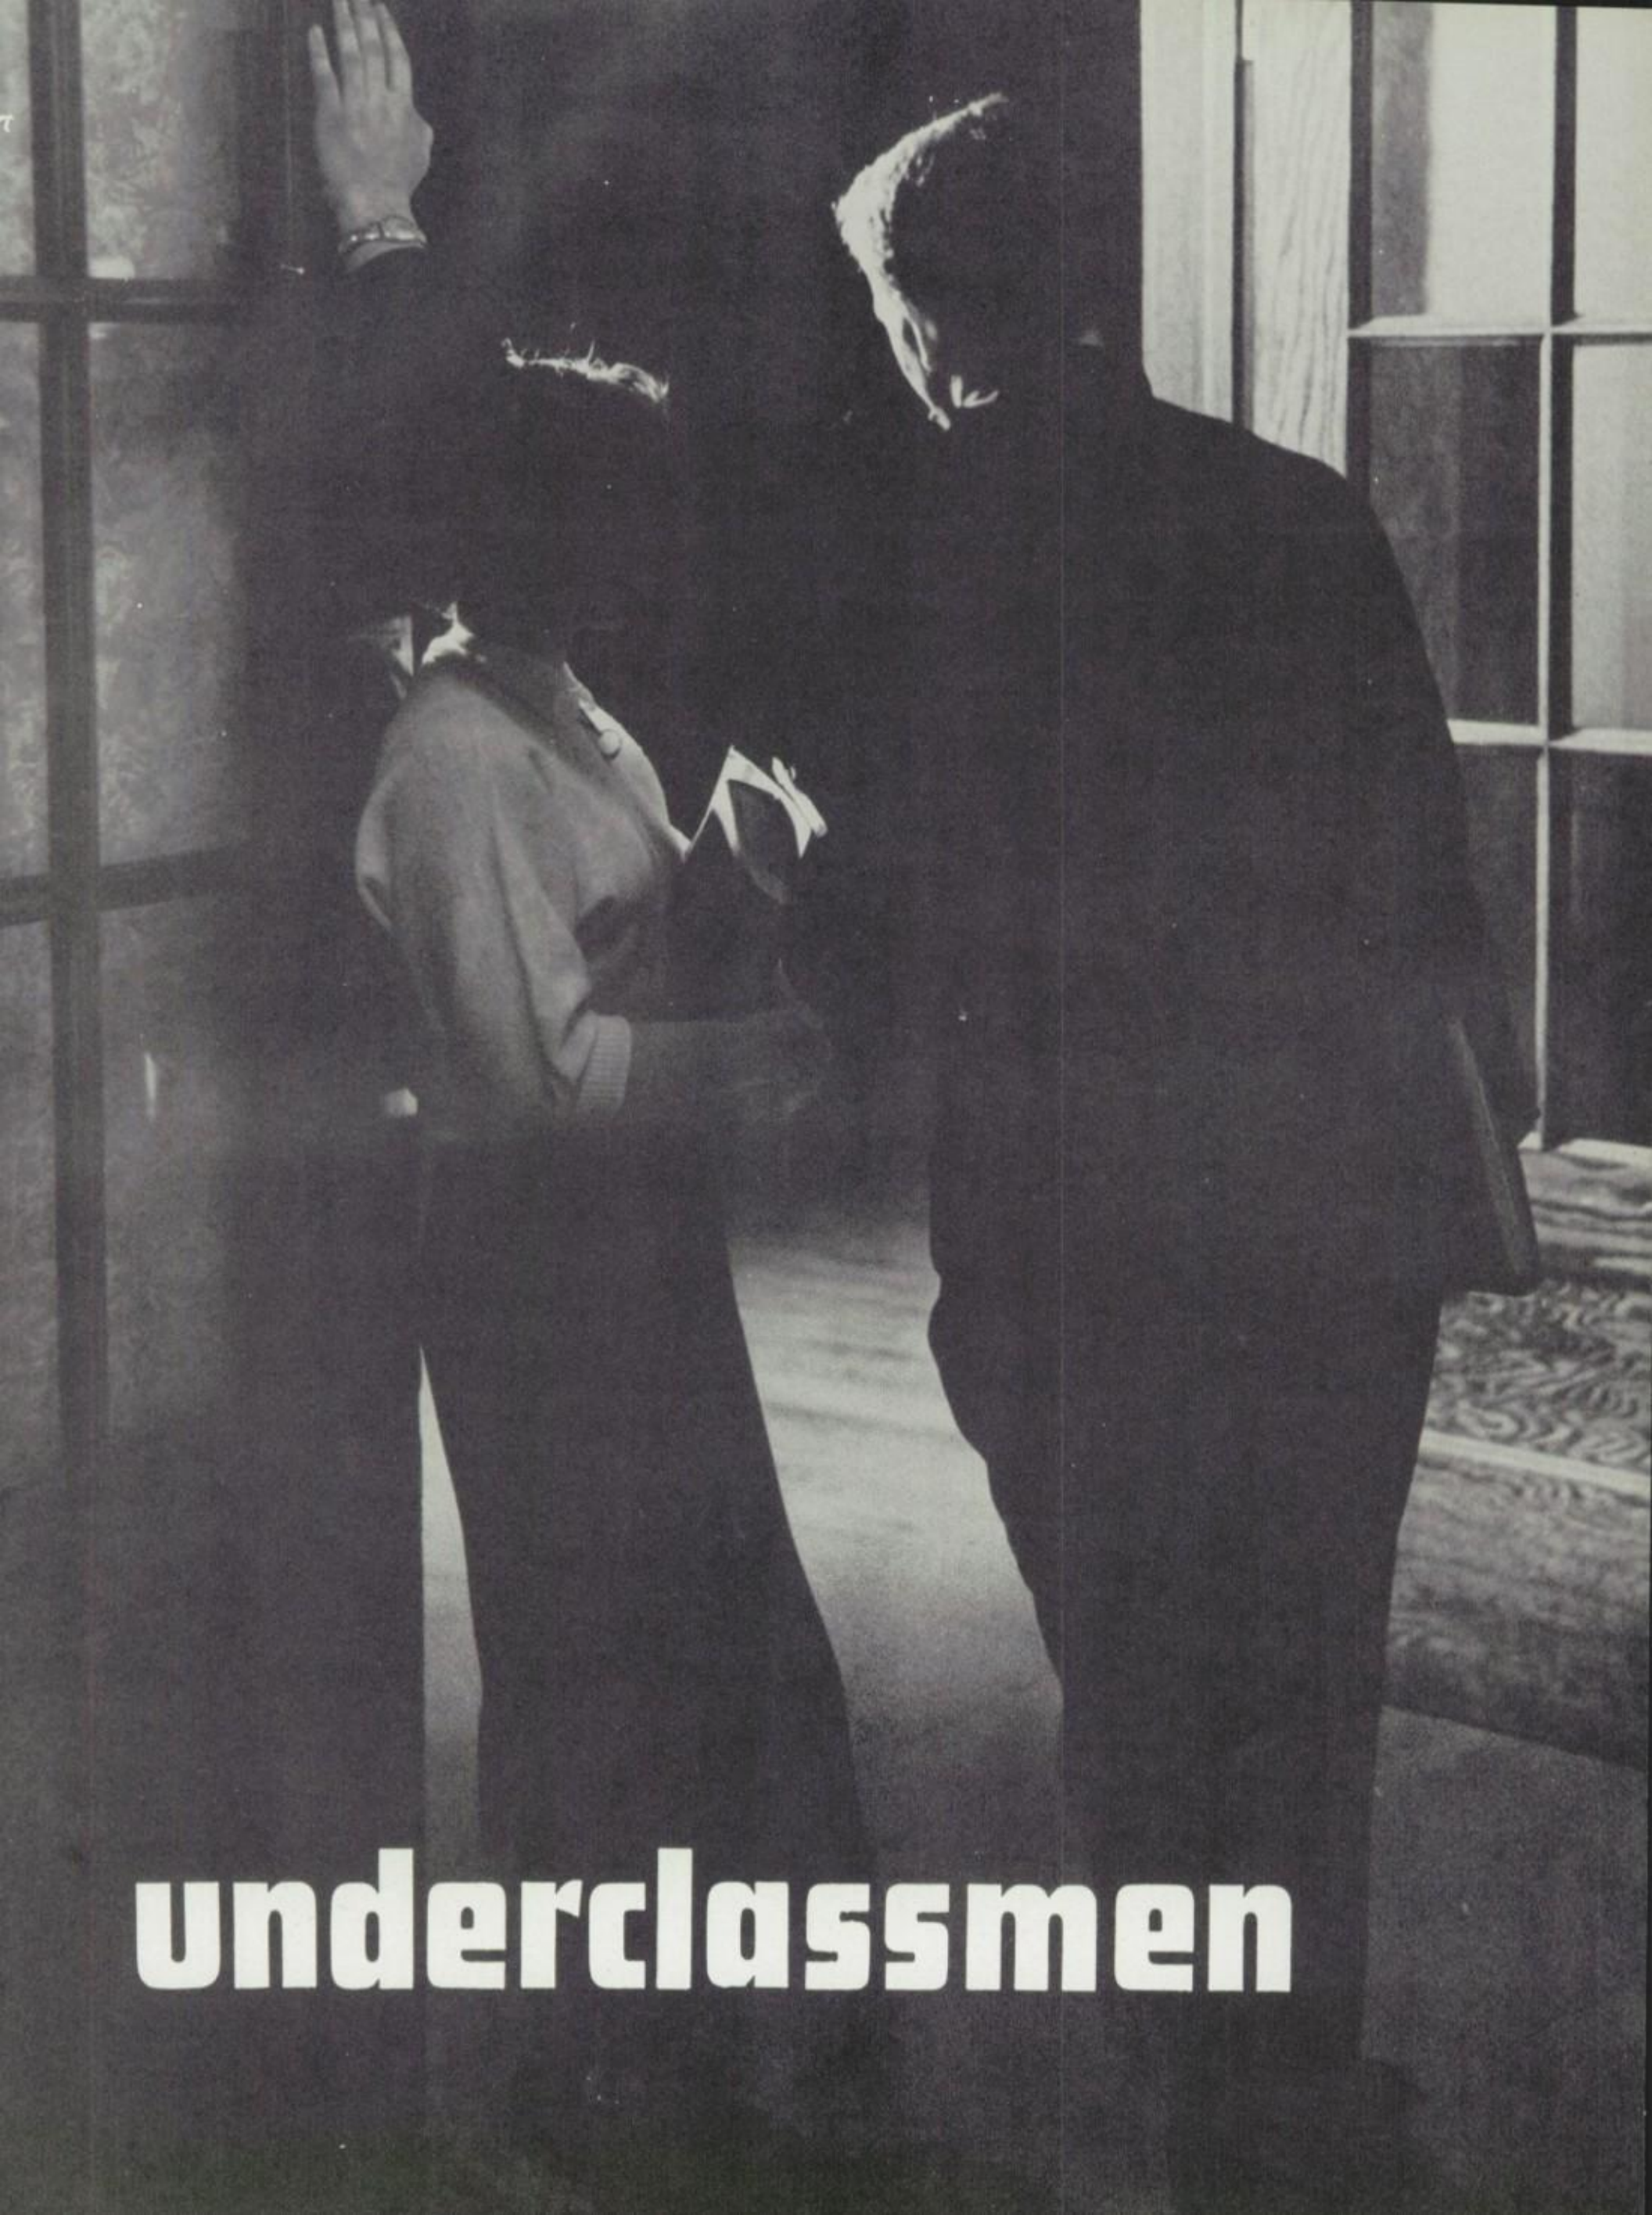

I left Gerald's Shop and went up to the school house. This brought back many memories. I looked in one classroom and there stood a teacher reading to the second graders. I took another look and noticed it was Bernadine Heathman. I knocked on the door and we chatted for a while. I found out that she began teaching after four years of college.

I got into my car and started to Spokane. When I arrived, there I noticed quite a few ladies being attracted to something. I parked my car and went to see what this was all about. When I got in the middle of the circle, there stood Nick Campbell, another member of the class. He is a playboy in Hollywood, California. But he travels to Spokane every weekend. He still hasn't found the right woman, but taking a look around here, it doesn't look like he has too far to go.

I left this mob and walked on down the street. Coming into view was the Old National Bank. I went in and looked around. One of the workers was Carolyn Frenn. It seems that they need a secretary to do some work and Carolyn landed the job. She always did talk about becoming a secretary.

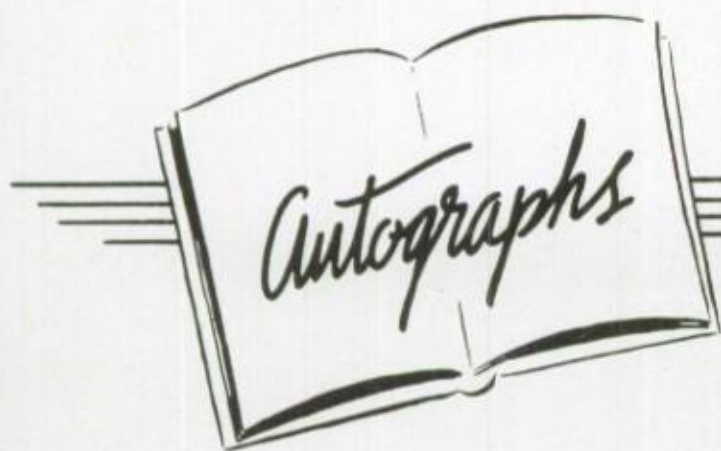

After getting over the shock of seeing all these people, I crawled on a plane and reported back to the FBI. Everyone I saw seemed so happy and very successful.

**underclassmen**

The first event for the Senior Class was the Sadie Hawkins Dance, November 10, which was a big success. The Senior Play, "Men Are Like Streetcars" was set for December 6, but after several cancellations due to the weather it was presented December 12. Eleven days after the play we had our Senior Ball. "White Christmas" was our theme. In the Spring the class sponsored a flood sale.

SENIOR CLASS MEMBERS: Carolyn Frenn, Mary K. Portch, Bernadine Heathman, Lorraine Carstensen, Ronald Mallory, Millard Jones, Gerald Scammon, Duane Tolonen, Nick Campbell and Lorretta Carstensen.

# JUNIORS

October 28 was our barn dance. We carried out the theme of a barn dance with hay, corn stalks, and saddles. Next was our two record dances after the Davenport and Reardan games. Our big thrill was the Junior Play, March 20. Right at Easter time we had our Food Sale, with many good things to eat.

Later in the Spring when the weather permitted we had a carwash. It was a big success and lots of fun besides. Our last activity was the JUNIOR-SENIOR Banquet in honor of the Seniors.

The Trojans had a very good season with five wins and two losses. The Trojans played Sprague for the county 8-man championship. The score was 13-14 in favor of the Vikings, giving the Trojans second place.

# BOYS STATE

Nick Campbell was elected to represent our school at Boys' State last June.

Nick learned the importance of each individual in our Democratic way of government, as well as meeting many new friends.

Nick feels this was a very worthwhile and profitable experience.

## MARY K. PORTCH

This year Mary K. Portch was chosen to represent Almira at the Lincoln County Fair, and also was selected to go to Girls' State.

Mary K. was a member of the royal court of the Lincoln County Fair which was held on September 8-9 and 10. She attended various tours and appeared on radio and TV.

As an Evergreen Girls Stater, Mary K. was sponsored by the American Legion Auxiliary. She returned with memories of a very eventful and interesting week.

# SADIE

# HAWKINS

A Sadie Hawkins dance was sponsored by the Senior Class. This was held on the night of November 10th. The mode of dress was patched jeans, plaid shirts and hats of every kind and shape. The girls asked the boys and the dance was a big success.

## JUNIOR BARN DANCE

On October 28th, the Junior Class held its Annual Junior Barn Dance. The western music was supplied by Jerry Starkel and his orchestra from Marlin.

The gym was decorated in a western theme with wagon wheels, bales of fragrant hay and tall cornstalks. Across the far end of the gym in huge letters was "JUNIOR BARN DANCE."

Dancing was from 9:00 to 12:00 and everyone present had a wonderful time. The dance was also a big financial success.

Adelia:

Here goes for my portion to you. It'll be very hard to put down all my feelings towards you, but I'll put the main details.

I'll never be able to express my thanks to you and your folks for the many, many times I've stayed with you. I'll always say it sums I am "just one of the family". I realize I really am a pest! Thanks so much!!

I know that our falling out did teach both of us a lesson, and now it has brought us closer, but as far as I'm concerned we can still be closer. You really are a swell friend Adelia and the advice you give me really helps sometimes. Let's have nothing come between us again, not even boys!! - They're really not worth it hon.

All of these dances we've went to have really been loads of fun, especially when things worked out the way we hoped them too. I'll never forget the fun we had double-dating with Allyn & Hank when we went to the hockey game in Spokane, more fun. Those nights after play practice we had fun fooling around too. Of course we had to get right home. I wonder why??... He really means a lot to me, and if luck holds through, maybe some day things may turn out the way we have planned them. Those times we've been with the McKay boys was really fun too, their sure fun sometimes, but they can be in the way too, right??

Adelia

Let's really celebrate this summer too, going to dances, swimming etc.. Maybe I can go to Pitzville sometimes too. Let's keep in close touch any way. Okay cutie??

To a wonderful gal, I wish the best of luck in the world, for if any one deserves it, it's you. I may not have written as much as you, but my feelings are double. Again the best of luck to one of the nicest friends I have now, and ever will have.  
Love ya, true,  
Darlene

# SENIOR BALL

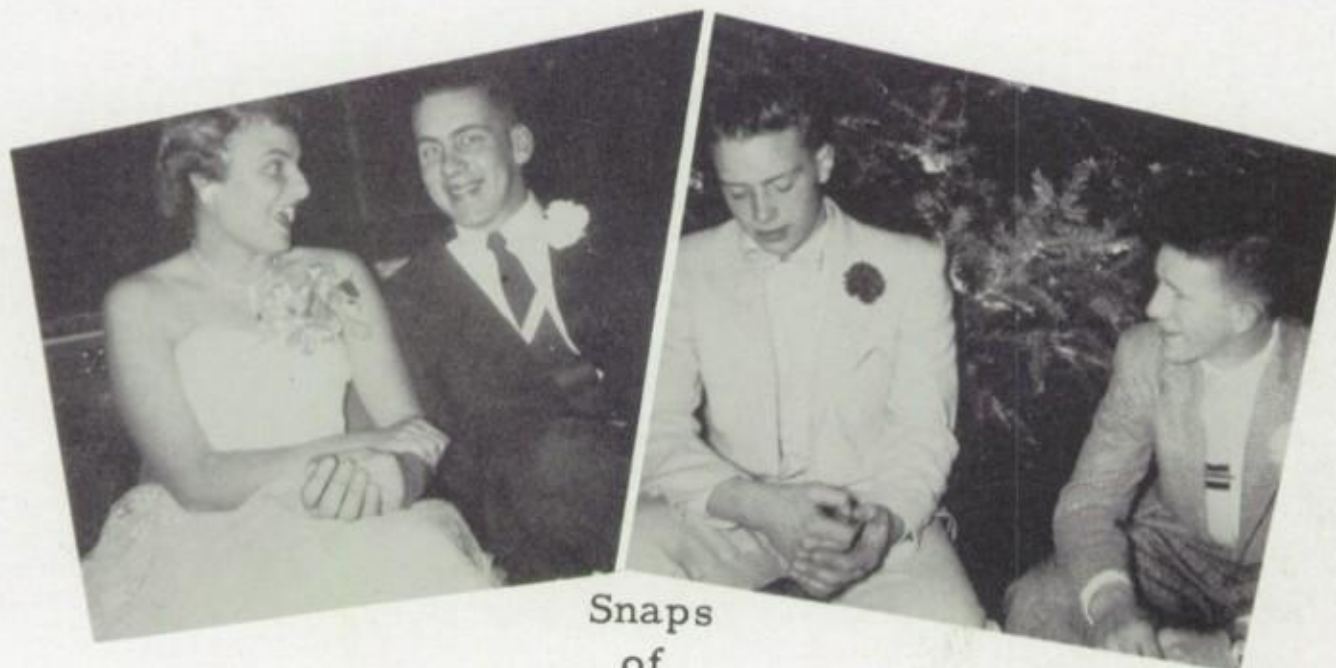

Orchestra

"A wonderful time" was a comment of the couples who attended the Annual Senior Ball and danced to the music of Dick Soss and his Orchestra on December 23.

Carrying out the theme of "White Christmas", the gym was decorated with many fir trees laden with snow. A big tree in the center of the dancing area was decorated with ice cicles and blue bulbs. There were gifts under the tree.

The theme was put on the east end of the gym surrounded by boughs and colored lights. The punch bowl was decorated with lights and angel hair with fir boughs. The red punch with dry ice made a very spectacular sight. Diana Rettkowski and Jill Sutton served this punch during the evening.

Acting as hat and coat checks were Janet Hyde and Cheryll Litt.

Adelia,  
Well kid, school is near its end. I'll soon be gone  
and what will you do without my everlasting  
advice!!! Some of the advice I have given you! WOW.  
Remember all the fun we had at the Clet Curtis  
dancers. Those Ephata boys are really "it". We ~~had~~  
had a lot of fun this past year. Those "haunted  
houses" can really prove interesting, can't they? Sorry  
I gave Jerry such a bad time one time!!!! WOW!!

Come and see me at Coney next year. Come over  
and spend a weekend. I'll get you all lined up!

Best of luck in your future. Be a good girl and  
stay just as sweet as you are now and you'll go a  
long ways.

Good Luck always,  
Bernadine

Dear Adelia - Lots of luck  
 to a swell friend. Just  
 think you kids will  
 be seniors next year and  
 we will be alumni. Wouldn't  
 seem possible does it. I have  
 really had alot of fun with

 hope we can have  
 some more this summer.  
 You are sure a swell

We have almost made it  
thru another year of battles  
and I sure am glad it is  
almost over. Just think only one  
more year in the old hole then  
wow - - - - - two more

have had a lot of fun (inbetween  
fights) any how. Remember the  
fun at Danes (Chet Curtis) and  
also the disappointments. O.H. well -  
its almost over for another year,  
but this summer ought to prove  
interesting. Be good, and watch  
out for those Epheata boys.

(you don't like)  
lots of luck to karta -

Princess Lorretta

WENATCHEE

Lorretta Carstensen was chosen by the ASB to represent Almira at the Annual Wenatchee Apple Blossom Festival. The dates this year were May 3rd, 4th, and 5th.

Lorretta did a swell job of putting Almira's best foot forward by attending the Princess's Banquet and the Queen's Ball and also riding on the beautiful pink, white and silver float in the annual parade.

The band participated in the parade on May 5th and many returning home very damp.
